The way to do this is to build a strong network of partnerships, be they charitable foundations, corporate philanthropy, or government agencies that will form the basis of your development strategy. We believe that how well a charity or an LKAS can work with other stakeholders is an essential part of its success. We help LLACs build their relationships with other actors by providing value-added expertise that can be leveraged and offered to other players in local communities. Get in touch LLAC's global reach is thanks to our relationships, good old
